* * * * *

Claims 1-3 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

The claims appear to be a literal translation from a foreign document, and contain many idiomatic and grammatical errors.

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

The references show paint ball guns with electronic control systems. The claims need to be revised before a full comparison with the prior art can be made.
